

	ACTION ELEMENT	TOPIC AREA	QUESTIONS FOR NCFA CONSIDERATION 22 OCT 15
1	Force Gen	12304 (a)	Is the 12304(a) authority sufficient?
2	Force Gen	12304(b)	Is 12304(b) authority sufficient?
3	Force Gen	12304(b)	Is 12304(b) funding sufficient?
4	Force Gen	12304(b)	How can Army optimize operational use of RC?
5	AVN	AH-64	Evaluate potential trade-offs and/or other force structure.
6	AVN	AH-64	Are multi-component unit options feasible?
7	AVN	AH-64	What is recommendation on AH-64s?
8	Instit	ARNG force structure	Explain allocation and distribution of ARNG personnel and force structure
9	Instit	ARNG force structure	Does Army policy adequately document the ARNG personnel and force structure decision process?
10	Instit	Budget	Can OCO funding expand to address unnamed operations and allow OCO use for other CCMDs (e.g. EUCOM, AFRICOM)?
11	Instit	Budget	How have budget issues (e.g. BCA) impacted the Army?
12	Instit	Budget	What should Commission recommend concerning Budget Control Act and resourcing?
13	Force Gen	Building Partner Capacity	How should Army gain visibility of State Partnership Program activities, Army institutional requirements, and Global Force Management requirements to centralize total force demands?
14	Force Gen	Building Partner Capacity	Does return on investment for State Partnership Program warrant increased funding?

15	Force Gen	Building Partner Capacity	How should Army align and synchronize State Partnership Program and Regionally Aligned Forces to gain synergy, closer coordination, and longer lasting relationships with security forces from other nations?
16	Opnl	Building Partner Capacity	What is the impact of Pacific Pathways and other approaches to Army "rebalance"?
17	Instit	Costing	Should NCFA adopt Activity Based Costing Process for recommendations?
18	Instit	Expansion	Should the Army increase numbers of mid-grade officers and NCOs from all components in Generating Force as hedge against risk inherent in smaller Army and improve Army's ability to regenerate forces rapidly when required?
19	Opnl	Force mix	What inventory of force structure migrates between the Regular Army, Army National Guard, and Army Reserve?
20	Opnl	Force mix	Does the Army have the capacity and capabilities required for the conduct of Homeland Defense and support to civil authorities in the Homeland?
21	Opnl	Force mix	Should Army increase Patriot Batteries due to demand?
22	Opnl	Force mix	Should Army seek more standardized unit designs and structure across components?
23	AVN	Force Mix	How would changes for AH-64s impact Theater Aviation Support Maintenance Groups?
24	Opnl	Force Mix	Should Army address DIVARTYs the same for all components?
25	Opnl	Force Mix	Should we employ ARNG Div and BCTs or reduce them?
26	Opnl	Force Mix	How should the Army address the over stressed capabilities to meet the mission requirements?
27	Opnl	Force Mix	What is the optimal mix of ABCT, SBCT and IBCT formations?
28	Opnl	Force mix	Should operational support and sustainment units shift into the Regular Army?
29	Opnl	Force mix	How does changing the National Guard and Army Reserve Mobilize to Dwell ratios impact force structure?

30	Instit	Generating Force	Should the Army adopt the CAA and USAAFMSA Generating Force analytical process to determine size and capability of institutional force?
31	Force Gen	Global Force Management	Can OSD and JS J8 streamline the Global Force Management Implementation Guidance for employing Combatant Command's assigned forces?
32	Force Gen	Global Force Management	Can Global Force Management and Theater Security Cooperation Management consolidate into a single joint process to produce consolidated demands for Army forces?
33	Instit	Leader Development	How can the One Army School System improve?
34	Instit	Leader Development	What should the Army do to improve Leader Development and Talent Management?
35	Force Gen	Mobilization policy	Should the Army increase readiness of certain installations to serve as mobilization sites?
36	Force Gen	Mobilization policy	What changes are needed for 2007 SECDEF policy memo on target BOG:Dwell ratios for RC forces?
37	Force Gen	Mobilization policy	What mobilization policies and Reserve Component access authorities revisions are needed?
38	Force Gen	Mobilization policy	What are the impacts caused by off ramp after Notification of Sourcing in RC?
39	Force Gen	Mobilization policy	Does home station mobilization now make more sense?
40	AVN	Multi-component	Should the Army conduct a pilot assessment for multi-component aviation units?
41	AVN	Multi-component	Is a USAF/ANG-type option feasible, for Army aviation units operating shared platforms?
42	Force Gen	Multi-component	How does ARNG sustain required capability in the multicomponent Division HQs for repeated deployments?
43	Opnl	Multi-component	Why do ARNG Div HQs not fall under the multicomponent model?
44	Opnl	Multi-component	What is the future of multi-component units?
45	Opnl	Operations	National level guidance documents address necessity of operating with Allies and partners, yet Allies and partners are reducing their capabilities. How does this affect risk?

46	Opnl	OPLANs	How should OPLANs and related TPFDDs revise to more accurately reflect current and projected plans?
47	Opnl	OPLANs	How should Army Prepositioned Stocks revise?
48	Force Gen	Personnel Management	How are 179-day TDYs and other mechanisms to employ Soldiers/units outside of "operational deployments" impacting readiness or retention?
49	Instit	Personnel Management	How can Individual Ready Reserve management improve?
50	Instit	Personnel Management	Does ARNG and USAR need personnel readiness account like Regular Army's TTHS?
51	Instit	Personnel Management	Should Secretary of Army standardize the accessions prerequisites across all Army components?
52	Instit	Personnel Management	Should DoD reduce number of RC duty status options with over 30 creating confusion and administrative burden?
53	Instit	Personnel Management	How can the Army achieve one personnel data base to see the total force?
54	Force Gen	Personnel Management	Should Army give more emphasis to AC/RC tours?
55	Instit	Personnel Management	Should Secretary of Army create a policy to standardize promotion qualifications within all Army components?
56	Force Gen	Power projection	Are there strategic lift shortfalls for Army units?
57	Instit	Readiness	What is RC full time support impact on readiness?
58	Opnl	Readiness, Force Structure, and Modernization	How should the Army balance readiness, force modernization, and size/component mix?
59	Instit	Recruiting	How should Army gain unity of effort among the three components to facilitate the Army's recruiting mission?
60	Opnl	Size of the Army	What is the appropriate size of the Army across Regular Army, ARNG, and USAR?

61	Opnl	Stationing	What are risks and costs associated with forward basing, vice rotational presence?
62	Force Gen	Total Force	How can the Army reinvigorate original intent of 1992 Title XI?
63	Force Gen	Total Force	What are the barriers causing the Army not employ Reserve Components?
64	Drafting	Total Force	What is the value of a Total Force approach?
65	Opnl	Training	How can Army emphasize/increase multi-component training at home station, in simulations and other exercises, and at CTCs?
66	AVN	Training	Should Army increase both AC and RC monthly OPTEMPO hours for all aircraft types?
67	Force Gen	Training	How can the Army reduce the number of Training Mandatory requirements (AR 350-1)?
68	Instit	Training	How should the Army achieve unity of effort for Soldier development across components to facilitate the efficient use of the available training capacity?
69	Force Gen	Training	Should RC units be resourced for additional days for Battle Assemblies or Annual Training?
70	Force Gen	Training	What is optimal frequency for ARNG BCTs to train at CTC? What is CTC capacity?
